The speakers for this meeting have no significant financial relationships to disclose.

Meeting Objectives: Upon completion of this activity, participants will be able to identify issues related to futility and end-of-life care; understand various religious perspectives related to futility and end-of-life care; discuss individual clinical ethics consultation cases related to futility and end-of-life care; and understand legal & ethical issues related to futility and end-of-life care.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Chicago Medical Society and the Chicago Clinical Ethics Program. The Chicago Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

The Chicago Medical Society designates this educational activity for a maximum of 5 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
