

KAMIL MUZAFFAR, MBBS, FRCS, FACS, FICS
CURRICULUM VITAE
April, 2003

SCHOOL

Burn Hall School, Abbottabad, 1951-59.
Senior Cambridge, 1959

COLLEGE

Forman Christian College, 1959-62.

MEDICAL SCHOOL

King Edward Medical College, Lahore, 1962-67.

POSTGRADUATE QUALIFICATIONS

Diplomat American Board of Otolaryngology 1974
Fellow Royal College of Surgeons, Canada 1974
Specialist certificate, Otolaryngology, Royal College of Surgeons (Canada), 1974
Fellow American College of Surgeons, 1976
Fellow International College of Surgeons, 1977

CITIZENSHIP

5/1/1980 - Monroe, Michigan

HOSPITAL APPOINTMENTS

1967-68	House Surgeon May Hospital, Lahore, Pakistan
1968-69	Rotating Intern, Queens General Hospital, New York, New York
1969-71	Surgery Resident, Henry Ford Hospital, Detroit, Michigan
1971-74	Otolaryngology Resident, Henry Ford Hospital, Detroit, Michigan
1974-81	Staff and Consulting Otolaryngologist, Mercy-Memorial Hospital, Monroe, Michigan
1976-81	Adjunct Teaching Staff, Otolaryngology Department, Henry Ford Hospital, Detroit, Michigan
1983	Asst. Professor, Department of Otolaryngology, Rawalpindi Medical College, February to August, 1983
1984-87	Private Practice, Islamabad
1987-99	Pakistan Institute of Medical Sciences, Chairman, Department of Otolaryngology
1997-Present	Associate Professor, Department of Otolaryngology, Loyola University, Maywood, IL, and Edward Hines Veterans Hospital, Hines, IL

PUBLICATIONS

1. Primary Intestinal Lymphangiectasia: Surgical Implications. Kamil Muzaffar, Melvin Block, Thomas Vox. *American Surgeon*, 38:288-291, 1972
2. Incus Interposition and the "Malleus-Stapes Assembly", A study of Type I tympanoplasties at Henry Ford Hospital. Kamil Muzaffar, R.D. Nichols. (Presented 76th Triological Meeting, April 1973, St. Louis, MO). *Laryngoscope*, 73:1622-34, 1973
3. Destructive Lesions of the Sphenoid Sinus. R.D. Nichols, S. Fujita, K. Muzaffar and N. Olson. (Presented 78th Academy Meeting, September, 1973, Dallas, TX). *Transamerican Academy of Otolaryngology* 78:359-67, 1974.
4. Granular Cell Myoblastoma of the Larynx. K. Muzaffar, I. Salahuddin, F. Averbuch and R.D. Nichols. *Henry Ford Hospital Medical Journal*, 22:3-8, 1974.
5. Granular Cell Myoblastoma of the Larynx. K. Muzaffar, *Arch. Otolaryngology*, 98:430-32, 1973.
6. Adenoid Cystic Carcinoma of the Larynx. K. Muzaffar, D. Bolstad, *Henry Ford Hospital Medical Journal*, 22:91-96, 1974.
7. Glomus Jugulare Tumor. K. Muzaffar. *Archives Otolaryngology* 101:202-204, 1975.
8. Thorotrast Granuloma of the Neck: Surgical Considerations. K. Muzaffar, R.D. Nichols. *Annals Otology, Rhinology, Laryngology* 84(2): 1-5, 1975.
9. Radical Neck Dissection: Review of 25 cases. K. Muzaffar and N.H. Khan. *Journal of surgery, PIMS*, 1:12-14.
10. Squamous Cell Carcinoma of the Head and Neck in Patients Under 40 Years. K. Muzaffar, N.H. Khan. *Journal of Surgery, PIMS*. 2:46-48, 1991
11. Complications of the Pectoralis Myocutaneous Flap. K. Muzaffar. *Journal of Surgery, PIMS*. 3/4:35-36.
12. Postgraduate Medical Education: A Clinician's Perspective. *Journal of the Pakistan Institute of Medical Sciences* 2:130-133, 1992
13. Median Mandibulotomy: Median Mandibuloglossotomy and Mandibular Swing as Surgical Approaches. N.H. Khan, K. Muzaffar. *Pakistan Journal of Otol*, 9:182-85,1993.
14. Intracranial Complications of Ear Disease. M.R. Zia, K. Muzaffar, and K.U. Zaman. *Pakistan Journal of Otol*. 9:63-67, 1993.
15. Physician Heal Thyself. K. Muzaffar. *Journal of PIMS*. 4:237-239, Jan, 1993.
16. Laryngotracheal Reconstruction Surgical Considerations. K. Muzaffar. *Proc World Congress Otolaryngology, Istanbul*. 3:341, 1993.
17. Parapharyngeal Space Lesions: Experience at PIMS. N.H. Kahn, K. Muzaffar. *Journal of Surgery PIMS*. 5:25-26, 1993
18. Laryngotracheal Reconstruction in Adults: Experience at PIMS. A. Khawar, K. Muzaffar. *Journal of Surgery PIMS*. 6:31-33, 1993
19. Carcinoma of the Alveolar Ridge. M. Aslam, K. Muzaffar. *Journal of Surgery, PIMS*, January, 1995.
20. Olfactory Neuroblastoma, Afsar Khan, K. Muzaffar. *Journal of Surgery, PIMS*. January, 1995.

PUBLICATIONS (continued)

21. ABR vs. Conventional Testing: PIMS Experience. A. Khawar, S. Manzoor, K. Muzaffar. Pakistan Journal of Otolaryngology, 12(3): 205-207, 1996.
22. Orogenic Intracranial Complications. A. Khawar, W. Bangash, K. Muaffar. Journal of the PIMS. 7(1), 1996.
23. Microbiology of Tonsils. N. Kahn, K. Muzaffar. Postgraduate Medical Journal. 8(3-4):961-63, 1997.
24. Neurogenic Tumours of the Head and Neck. N. Khan, K. Muzaffar, I. Ahmad. Postgraduate Medical Journal, 8(1-2):10-13, 1997.
25. Thyroid Malignancies at Unusual Sites. A. Khawar, K. Muzaffar, Z. Muzaffar. Journal of the College of Physicians and Surgeons of Pakistan, 7(1):33-35, 1997.
26. Wegner's Granulomatosis: Otolaryngological Manifestations. A. Khawar, K. Muzaffar. Journal of Surgery, PIMS. 13:62-65, 1997.
27. Juvenile Nasopharyngeal Angiofibroma: the PIMS Experience. M. Ali, A. Khawar, A. Obaid, K. Muzaffar. Journal of Surgery, PIMS. 16A:64-48, 1998.
28. New Perspectives on Controversies in the Management of the N0 Neck. K. Muzaffar, S.L. Collins. Br. J. Cancer, 77:24, 1998
29. A Prospective Study of the Effects of Irradiation on the Carotid Artery: Implications for Neck Treatment. Laryngoscope, 110:1811-1814, November, 2000.
30. Endoscopic Laser Cricopharyngeal Myotomy to Salvage Tracheoesophageal Voice After Total Laryngectomy. Archives of Otolaryngology, HNS, 2001;127: 691-693.

PAPERS PRESENTED AT MEETINGS

1. Incus Interposition and the "Malleus-Stapes Assembly". 76th Triological Society Meeting. St. Louis, April 1973.
2. Tracheobronchial Foreign Bodies. Matin Memorial Symposium, Central Govt Polyclinic, Islamabad, 1984.
3. Tracheobronchial Foreign Bodies in Children, National ENT Meeting, Karachi. February, 1985.
4. Sensorineural Hearing Loss in Children. International Pediatric Conference, Rawalpindi. April, 1986.
5. Tympanoplasty: Results. National Meeting, ENT Society of Pakistan, Quetta. April, 1987.
6. The Pectoralis Major Myocutaneous Flap: PIMS Experience. National Meeting, ENT Society of Pakistan, Peshawar. March, 1988.
7. Head and Neck Tumors in Children. National Meeting, ENT Society of Pakistan, Karachi. January, 1989.
8. Carcinoma of the Larynx: Results at PIMS. National Meeting, ENT Society of Pakistan, Karachi. January, 1989.
9. Radical Neck Dissection: PIMS Experience. National Meeting, ENT Society of Pakistan, Karachi. January, 1989.
10. Lingual Thyroid: Management. PMA Meeting, Islamabad. February, 1989.

PAPERS PRESENTED AT MEETINGS (continued)

11. SCC in the Young Adult. Alumni Meeting, Henry Ford Hospital, Detroit, Michigan. October, 1990.
12. Pediatric Head and Neck Tumors. Pediatric Surgery Conference, Murree. April, 1991.
13. Olfactory Neuroblastoma. National Meeting, ENT Society of Pakistan, Peshawar. February, 1992.
14. Laryngotracheal Reconstruction: PIMS Experience. National Meeting, ENT Society of Pakistan, Peshawar. February, 1992.
15. Parapharyngeal Space Tumors: PIMS Experience. National Meeting, ENT Society of Pakistan, Peshawar. February, 1992.
16. Intracranial Complications of Otogenic Disease. National Meeting, ENT Society of Pakistan, Karachi. January, 1992.
17. Maxillectomy: PIMS Experience with Rehabilitation. National Meeting, ENT Society of Pakistan, Karachi. January, 1993.
18. Adenoid Cystic Carcinoma of the Head and Neck. National Meeting, ENT Society of Pakistan, Karachi. January, 1993.
19. Mandibulotomy Approach to the Hypopharynx. National Meeting, ENT Society of Pakistan, Karachi. January, 1993.
20. Laryngotracheal Reconstruction. World Congress, Istanbul. July, 1993.
21. Thyroid Malignancies at Unusual Sites. National Meeting, ENT Society of Pakistan, Quetta. April, 1995.
22. Parotid Neoplasms: PIMS Experience. A report of 50 cases. National Meeting, ENT Society of Pakistan, Quetta. April, 1995.
23. Neurogenic Tumors in the Head and Neck. National Meeting, ENT Society of Pakistan, Quetta. April, 1995.
24. Auditory Brainstem Audiometry: Correlation with Conventional Methods, A Preliminary Report. National Meeting, ENT Society of Pakistan, Quetta. April, 1995.
25. Risk Adjusted Management of the N0 Neck (with Sharon Collins). Triologic Society Middle Section Meeting, January 22-23, 2000, Cincinnati, Ohio
26. A Prospective Study of the Effects of Irradiation on the Carotid Artery: Implications for Neck Treatment. Annual Triologic Society Meeting, May 16-17, 2000. Orlando, Florida
27. Idiopathic Subglottic Stenosis in the Adult: An Incomplete Expression of Wegener's Granulomatosis? Annual Triologic Society Meeting, January 19-21, 2001, Chicago, Illinois.
28. Neurogenic Tumors of the Parapharyngeal Space. Annual Triologic Society Meeting, January 19-21, 2001, Chicago, Illinois.

LECTURES GIVEN AT POSTGRADUATE COURSES

1. Mastoid Surgery for Chronic Ear Disease. PGMI Course. Lahore, December, 1989.
2. Cancer of the Larynx. PGMI Course. Lahore, December, 1989.
3. Tympanoplasty: Techniques. PGMI Course, Lahore. December, 1990.
4. Tonsillectomy and Adenoidectomy. DCH Course, Children's Hospital, Islamabad. 1989-1992.
5. The Deaf Child. DCH Course, Children's Hospital, Islamabad. 1989-1992
6. Serous Otitis Media. DCH Course, Childrens Hospital, Islamabad. 1989-1992.
7. The Deaf Child, Postgraduate Course, Sheikh Zayed Hospital, Lahore. September, 1991.
8. Flaps in Head and Neck Reconstruction. Postgraduate Course, Department of Surgery, PIMS, Islamabad. September, 1991.
9. Modern Concepts in Otitis Media. Pediatric Intensive Course, Children's Hospital, Islamabad. March, 1992.
10. Meniere's Disease: Management Review. PIMS FCPS Review Course, Islamabad. February, 1992.
11. Oral Cancer. PIMS, FCPS Review Course, Islamabad. February, 1992.
12. Cancer of the Larynx. CPSP Review Course, Karachi. September, 1992.
13. Reconstruction in the Head and Neck, CPSP Review Course, Karachi. September, 1992.
14. Laryngotracheal Reconstruction. CPSP Course, Karachi. September, 1992.
15. Anatomy of the Larynx. CPSP Review Course, Islamabad. September, 1992.
16. Cholesteatoma. Sheikh Zayed Hospital Course, Lahore. March, 1994.
17. Tracheotomy. Postgraduate Course, Department of Surgery, PIMS, Islamabad. November, 1994.
18. Anatomy of the Larynx. Basic Science Review Course, CPSP, Islamabad. April, 1995.

SOCIETY MEMBERSHIPS

1. Monroe County Medical Society, 1974-82.
2. Michigan State Medical Society, 1974-82.
3. Association of Pakistani Physicians in North America, 1978-81.
4. Pakistan Medical Association, 1984-96.
5. Pakistan Society of Otolaryngology, 1984-96.
6. American Academy of Otolaryngology, 1996 (Corresponding Fellow).
7. The Triological Society, 2003

OFFICES HELD

1. President, Association of Pakistani Physicians in North America, 1979-80.
2. President, Pakistan Society of Otolaryngology, 1994-95.
3. Chairman, Organizing Committee, Fourteenth National Meeting of the Pakistan Society of Otolaryngology, Islamabad.

COURSES ORGANIZED

1. Postgraduate ENT Course at PIMS, February 8-13, 1992.
2. Postgraduate ENT Course at PIMS, February, 1993.
3. Fourteenth National Meeting, February 8-10, 1994.

DISSERTATIONS SUPERVISED

1. Radical Neck Dissection, Dr. Najam ul Hasnain Khan.
2. Surgery for Chronic Ear Disease, Dr. Afsar Khan Khattak.
3. Carcinoma of the Larynx: Salvage Surgery for Radiation Failures, Dr. Rashid Zia.
4. Alveolar Ridge Carcinoma, Dr. M. Aslam.
5. Laryngotracheal Reconstruction, Dr. Anjum Khawar.
6. Flaps in Head and Neck Surgery, Dr. Shaukat Ishaq.
7. Parotid Neoplasms, Dr. Amjad Obeid.
8. The Pectoralis Major Myocutaneous Flap, Dr. Mehdi Kahn.
9. Parapharyngeal Space Tumors, Dr. Zulkin Sabir.
10. Revision Mastoid Surgery, Dr. Sohail Awan.
11. Non Squamous Malignancies, Dr. Sohail Manzoor.
12. Carcinoma Tongue, Dr. M. Asif
13. Facial Nerve Paralysis, Dr. Salahuddin Ayubi.
14. Tracheostomy at PIMS, Dr. Zaffar Ahmad.
