- Updates are posted on the intranet: Departments → Medical Education → Transitional Year Program → Schedules

- **On days when you expect Family Medicine to respond to Rapid Responses, if you do not hear from them by 9am, you must page them (p6666) to confirm the schedule. Family Medicine makes the schedule and their schedule is always more accurate.**
- **Team Evaluations are to be provided by the Teaching Attending and should occur in the Office of Medical Education during teaching rounds.**
- "Mid-feedback" and "feedback" are reminders for the residents and students.
