Laboratory Security

The Multifunction Labs (L60) are open 24 hours each day, 7 days a week, to first year medical students, faculty and other personnel possessing the proper identification and key card access. Students are expected to comply with the Laboratory Regulations at all times.

Washroom facilities for changing, showering, and clothing storage in lockers are provided immediately adjacent to the dissection area. Please maintain the cleanliness of these areas a courtesy to the many others using them.

Visitors to the facility must be cleared through the course director (please see Laboratory Regulations)

At announced times the labs will be closed in order to prepare for and administer examinations.
