

Ophthalmology Workshop Schedule 2009 - Date Order

Attendance is mandatory at these sessions. On your scheduled date, please be prompt. If you are unable to attend your assigned session, you are responsible for finding a fellow classmate to switch with you. Both students must see Les Medley in person in order to make the switch. The switch must be made before end of day August 17, 2009

Please be prompt. The workshops will take place in the LOC, Ophthalmology.

Wednesday, August 19, 2009
